With approximately 600 experts working across 11 disciplines, American Structurepoint is able to bring your vision to reality.

Our people are driven to make a difference every day, and our mission is to improve lives. Whether it's a more efficient road, a better-designed community center, or a research center that provides critical breakthroughs, all of our projects change lives in their own way. We're committed to our clients and excited to bring our capabilities and horsepower to bear for them—and for those they serve.
