Defining the built environment

American Structurepoint's full-time staff of 450 professionals work collaboratively across disciplines to provide our clients with the highest level of service. Since 1966, we have exhibited consistent and sustainable growth and have become one of the most respected and recognized firms in the Midwest.

Top 300 National Architectural Firm (No. 5 in Indiana), Architectural Record, 2018
Top 500 National Design Firm, Engineering News-Record, 2018
No. 4 Indiana Design Firm, ENR Midwest, 2018
No. 13 Midwest Design Firm, ENR Midwest, 2018
No. 1 Largest Engineering Firm In Indianapolis, Indianapolis Business Journal, 2018
No. 5 Largest Architectural Firm In Indianapolis, Indianapolis Business Journal, 2018

Cities and towns that offer inviting recreational assets promote a healthier lifestyle, increase quality of life for residents, and create destinations for families and visitors.

These projects spark economic development and encourage revitalization. We provide the expertise to design and deliver experiential spaces that grow and energize communities. Through creative problem-solving and a design aesthetic unique to each place, we create environments that are efficient, functional, and beautiful. This allows citizens and visitors to gather under the common theme of sports.
